

PRODUCT DATASHEET

KG280 Switch Hinge

A full length hinge-side anti-barricade system that puts staff into the safe 'Green Zone' when attending barricade situations. The KG280 removes the requirement of any removable doorstep or secondary override lock.

Installation Description

When a barricade situation occurs, the Switch Hinge mechanism is unlocked to allow it to fold and draw the door leaf away from the closing side frame and open outwards to overcome the barricade situation. The door can be opened even when the door is locked - thus removing the requirement for secondary override mechanisms.

Fire Rating

Fire Rating

30 minutes to BS476 part 22

Testing

Surpassed DoH Environment Design Principles Adult Medium Secure

Guarantee

5 Year Guarantee*

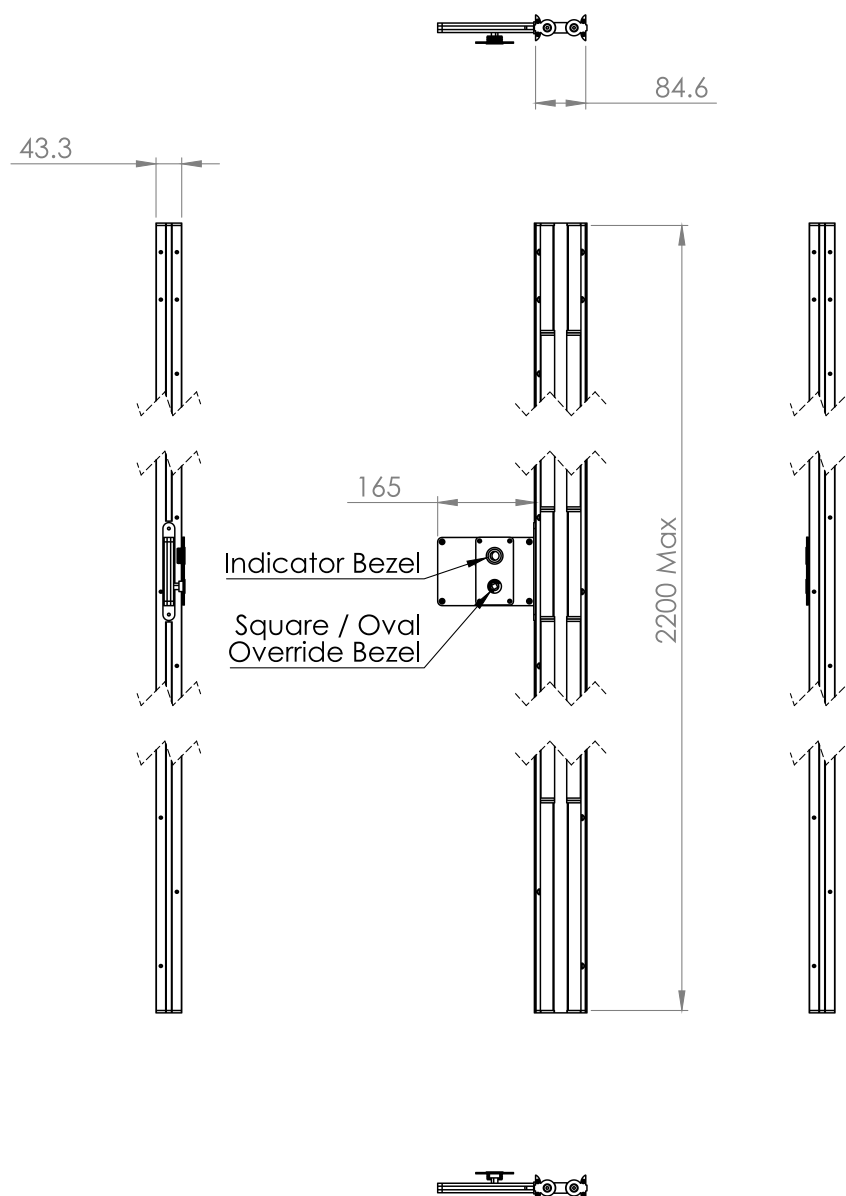

*For faulty manufacture and not for damage
