Installation Description

- Place the handle on the door to mark out the fixing holes, making sure that the face of the handle is flat on the door
- Fix the handle in place using the countersunk security screws provided

Maintenance and Cleaning

Maintenance

Periodic checks should be made to the fixings to ensure they remain tight and that they have not been tampered with.

Cleaning

Handles should be cleaned using a non-abrasive sanitising agent. Abrasive cleaning cloth and agents should be avoided.

Guarantee

5 Year Guarantee*

*For faulty manufacture and not for damage
