## KG190 - KG193 Fire Discs

### Anti-ligature Disclaimer

Anti-ligature Disclaimer The anti-ligature design characteristics of this product are not intended to replace or substitute the need for necessary supervision of those who may be at risk, or for other necessary protective measures to be taken in the specific circumstances of usage. Kingsway Group, Inc. does not offer any products for sale as being 'ligature-free' and will not be liable for any claims arising from ligature attachment on its products. It is the customer's responsibility to ensure that products purchased and installed are suitable for the environments they are installed in.

The Kingsway circular fire discs are a 1mm solid stainless steel plate with a radiused edge.

## Installation Description

- Mark out the area where the disc is to be fitted and drill the 2 holes.
- Fix in place using the security screws provided.

## Maintenance

### Maintenance

Periodic checks should be made to ensure the fixing remains tight.

### Cleaning

Cleaning of the push plate should be with a damp cloth. Cleaning agents should be avoided.

## Guarantee

### 5 Year Guarantee\*

\*For faulty manufacture and not for damage
