

SWITCH Anti-Barricade Door System

Product datasheet

SWITCH is the revolutionary anti-barricade door system that operates from the hinge side to keep staff safe in the barricade 'green zone'

Where do your staff stand?
Keep them safe, keep them in the
Green Zone

How the SWITCH system works

Staff approach the barricaded door on the hinge side - in the safe barricade 'green zone'.

Staff unlock the SWITCH hinge from the central key lock.

The door can be safely opened outwards in under 3 seconds.

Technical Specs:
